Mercer County Community College, located in West Windsor, New Jersey, is a two year community college offering a variety of credit and noncredit courses, Associate degrees, Certificate programs, as well as, a numerous award-winning community activities.

Mercer County Community College - Course Outlines

1. INTRODUCTION - A transistor is a small electronic device that can cause changes in a large electrical output signal by small changes in a small input signal. That is, a weak input signal can be amplified (made stronger) by a transistor. For example, very weak radio signals in the air can be picked up by a wire antenna and processed by transistor amplifiers until they are strong enough to be ...
