Literacy Coaching: The Essentials: Katherine Casey
How is educational technology defined? Historically, there have been numerous definitions and statements concerning the nature and function of educational technology, according to Saettler (2004).

Technology Integration: Essential Questions (Page 1 of 3)
Teachers use formative assessment during instruction to gain actionable feedback that they can use to adjust their instruction and improve student learning.Learn more about the Formative Assessment Process (PDF). To support formative assessment, the Digital Library is an online collection of high-quality instructional and professional learning resources contributed by educators for educators.

Smarter Assessments - Smarter Balanced Assessment Consortium
Education technology is assisting in a huge change in educational practice. This is not really something new, as education technology has been changing over several decades. When we first began teaching, it was said that teachers from the 19 th century would experience limited difficulty in working in those classrooms. This would certainly not be the case now.
