The fair trade debate is a debate around alleged issues with the Fairtrade brand. The debate surrounds the ethics and alleged economic implications of fair trade. Some criticisms have been raised about fair trade systems. One 2015 study in a journal published by the MIT Press concluded that producer benefits were close to zero because there was an oversupply of certification, and only a ...

Enhancing rural development and livelihoods. We work directly with over 700 000 farmers and some five million are in our supply chain. To help secure a long-term supply of high-quality raw materials for our foods and beverages, we need to understand where and how our ingredients are produced, support the farmers who supply us and drive rural development.
