

european monetary union since pdf

The European Union (EU) is a political and economic union of 28 member states that are located primarily in Europe. It has an area of 4,475,757 km² (1,728,099 sq mi) and an estimated population of about 513 million. The EU has developed an internal single market through a standardised system of laws that apply in all member states in those matters, and only those matters, where members have ...

European Union - Wikipedia

The Edinburgh Agreement of 1992 included a guarantee to Denmark that they would not be obliged to join the Western European Union, which was responsible for defence. Additionally, the agreement stipulated that Denmark would not take part in discussions or be bound by decisions of the EU with defence implications.

Opt-outs in the European Union - Wikipedia

The European Commission is the executive of the European Union and promotes its general interest.
