

### **from loneliness to love pdf**

Loneliness is a complex and usually unpleasant emotional response to isolation. Loneliness typically includes anxious feelings about a lack of connection or communication with other beings, both in the present and extending into the future. As such, loneliness can be felt even when surrounded by other people.

The Age UK Loneliness heat map should be used alongside local knowledge and an understanding of local neighbourhoods. When this happens it can improve the allocation of limited resources to reduce loneliness across a geographic area and help understand whether existing services are reaching areas of need.
