Aviation. Here are our books for pilots. Please note that, as with any other material of this nature, you also require access to official publications, such as Aeronautical Information Publications, Airman Information Manuals, etc. This is not only because things change regularly, but reading around the subject matter keeps your mind flexible for the exams - questions change, too!

Itâ€™s taken 21 months, four professors, and three associate/assistant professors, and THIS is the best they could come up with? The printed version listed no author (the pdf has been updated with John Cooks name*) yet wears the logo of the University of Western Australia (UWA), which will embarrass that university as word spreads of the intellectual weakness of their "Guide".

From the Life of Lorenzo Snow. President Lorenzo Snow was a worker, following his own often-repeated counsel: "We have to exert ourselves. Remaining idle without putting ourselves into action is of no use." 1 But he acknowledged that in his desire to build up the kingdom of God, his own exertions would never be enough without the grace of God "or supernatural aid," 2 as he often ...
